

United States: The Midwest

Making a map . . . The Midwest States

(Use the map on page 191 of your Social Studies book for assistance.)

Label each of the 12 midwestern states and locate its capital.

Locate and label these bodies of water:

Mississippi River

Missouri River

Ohio River

Green Bay

Lake Superior

Lake Michigan

Lake Huron

Lake Erie

Locate and label these geographic features and places:

Mesabi Range

Black Hills

Great Plains

Mt. Rushmore

International Falls

Pennsylvania

Canada

Color the states different colors so two states of the same color are not beside each other.

Color the bodies of water that you labeled blue.

Give a title to your map.

Make sure your work is neat and everything is spelled correctly.
Use colored pencils ONLY to color your map.
